As you look through this 1966 annual, both now and later on in life, may it bring back many fond memories. The annual staff has worked many long, hard hours to put this book together, and we hope that you will enjoy it as much as we have enjoyed making it.

Needless to say, words have probably been misspelled or left out, and pictures omitted that perhaps should have been included. We are proud of our creation and hope you will be too.

Corridor of learning

Mr. and Mrs. Dalton James

The 1966 edition of the Roar is dedicated to the students of New Deal School--past, present, and future--for in truth it is the students who compose the school. Our school is a bustling center of activity. This corridor has been the nucleus of this activity. For students of the past and present, this has been "home".

For future high school students, this will be only a threshold to the mad world of high school, since 1966-67 will see the christening of our new school building.

It is also dedicated with deepest gratitude to Mr. and Mrs. Dalton James, who have given tirelessly of themselves for 14 years to make New Deal Independent School the outstanding institution it is. Evidence of their conscientious service is to be seen in the harmony of the faculty and the student body, in the school's atmosphere of competent management, and in the smiling faces of the students. May God bless our school and these two fine people.

Administration

Shown above are the Administrative heads of New Deal High School. They are Mr. Clarence L. Green, Junior High Principal; Mr. Dee Hancock, Supervisor; Mr. Dalton James, Superintendent; and Mr. Bob Wills, High School Principal. Over their desks passes the business of New Deal Independent School.

Our Administrators

Congratulations on your good work on the 1966 Yearbook. As you turn through its pages, I hope it reminds you of your friends and your achievements this year. Set your goal high and continue to reach for it.

I hope we have taught you to THINK before you make any decisions. If you do you will always be right.

Sincerely,

Dalton L. James

Are Progressive

May I take this opportunity to say thanks to you, the students and faculty, for making this an enjoyable year. To those who will not return next year, I will wish you all that's good in the years to come. I hope that we have provided you with the necessary tools for success. Time will give us that answer. For those who will be at New Deal School another year, may I wish for your continued success in the task at hand.

It is my sincere desire that this school provide you all with the hope of a meaningful life.

Sincerely,

Bob Wills

Elementary Principal

It is indeed a pleasure for me to have the opportunity to commend you upon the completion of your high school work.

You are graduating into a space-age world that has unlimited opportunities for those of you who are willing to put your "thinking wheels" into motion. Keep in mind the importance of independent thinking and sound judgment. You must constantly fight discouragement. Always remember that success often comes after many setbacks and failures. Your station in life will be a reflection of your thinking. All that is required of you is that you do the best that you can in performing any given task.

Sincerely,

C. L. Green

Activities

Each semester the girls are required to have a home experience. Those who made garments at home or in class got a chance to show off their handiwork at the annual style show. This year's theme was "Color Me Spring." The narrators were Stacey Brendle and Linda Freeman.

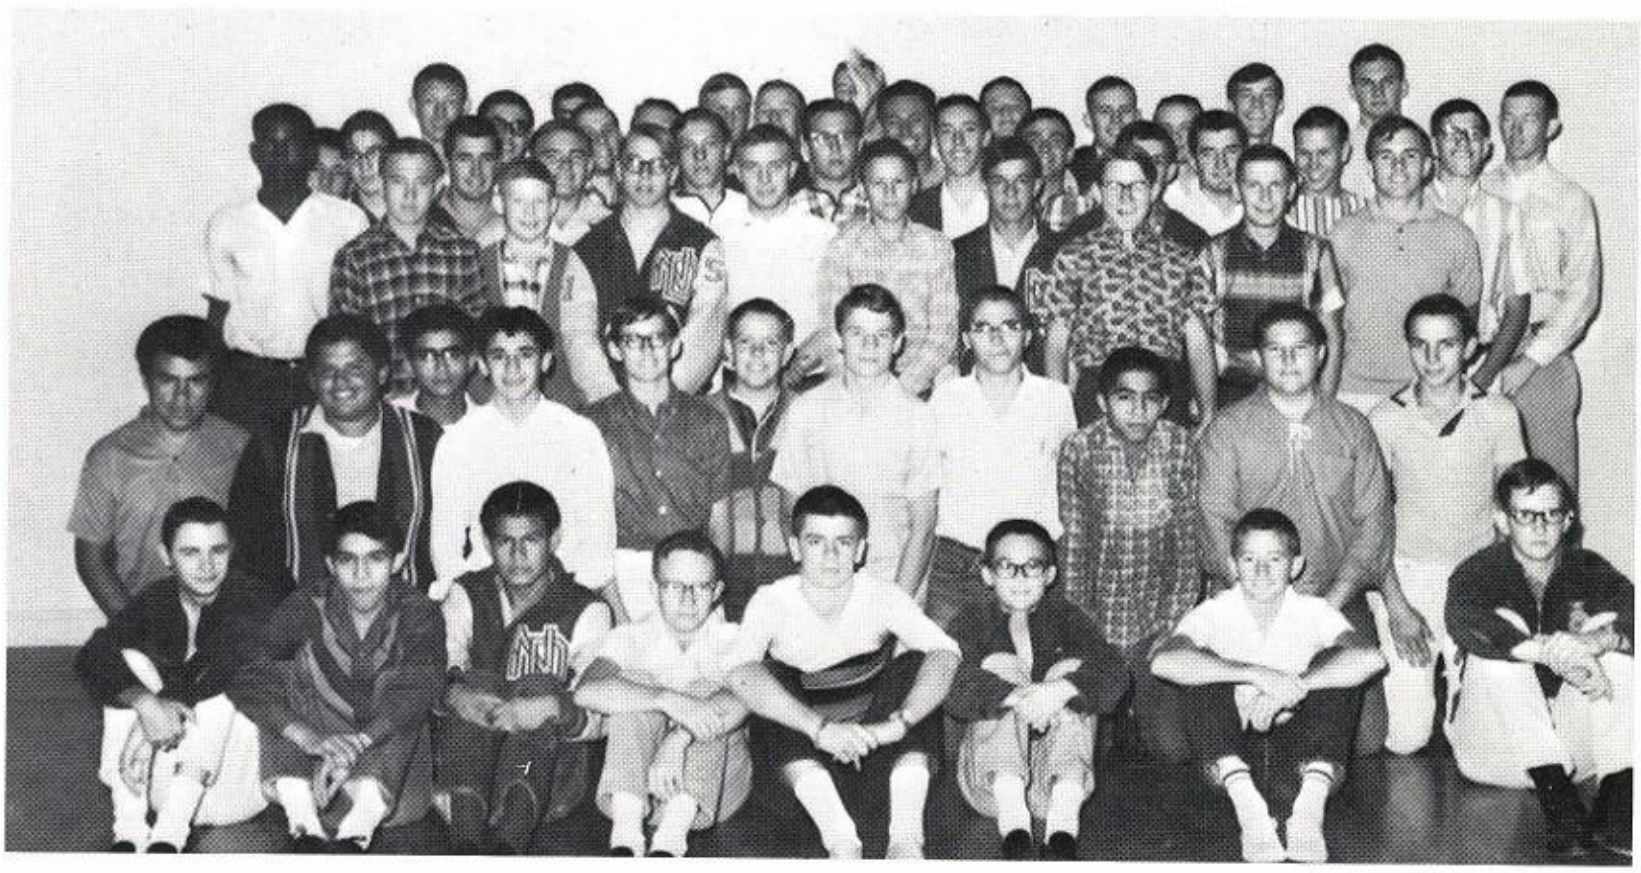
After the style show, the girls gave Mrs. Robertson a surprise baby shower. They had almost as much fun as Mrs. Robertson, just watching her open the gifts. Everyone is speculating which color she will need - pink or blue.

F.H.A. Banquet

The FHA Banquet was one of the most enjoyed events of this year. It was held on February 14 at Grahams Restaurant in Abernathy. Cupids and hearts adorned the walls as the girls and their invited escorts enjoyed food and fun. The girls and chapter parents, school officials and sponsors greatly enjoyed the remarks of the speaker, Mr. Bill Young. He and his wife will be pleasantly remembered for many years.

FUTURE FARMERS OF AMERICA

THE NATIONAL ORGANIZATION FOR BOYS STUDYING VOCATIONAL AGRICULTURE



The Future Farmers of America is a national organization striving to achieve one main goal: to implant an interest of agriculture into the minds of our young men. However, there are many by-products which add to the importance of the FFA. The world will need strong leaders in diplomacy, as well as in agriculture in the future.

In the future, young farmers will continue to "practice brotherhood, honor rural opportunities and responsibilities, and to develop those qualities of leadership that each should possess."

This year's Band Sweetheart and Beau are Jan Morton and Curtis Forbis.

Officers of the band are left to right: Eddie McKenney, Suzanne Fortenberry, Jeri Lyn Rieken, Jan Morton, and Curtis Forbis.

The band spent many hours in preparing for their half-time activities.

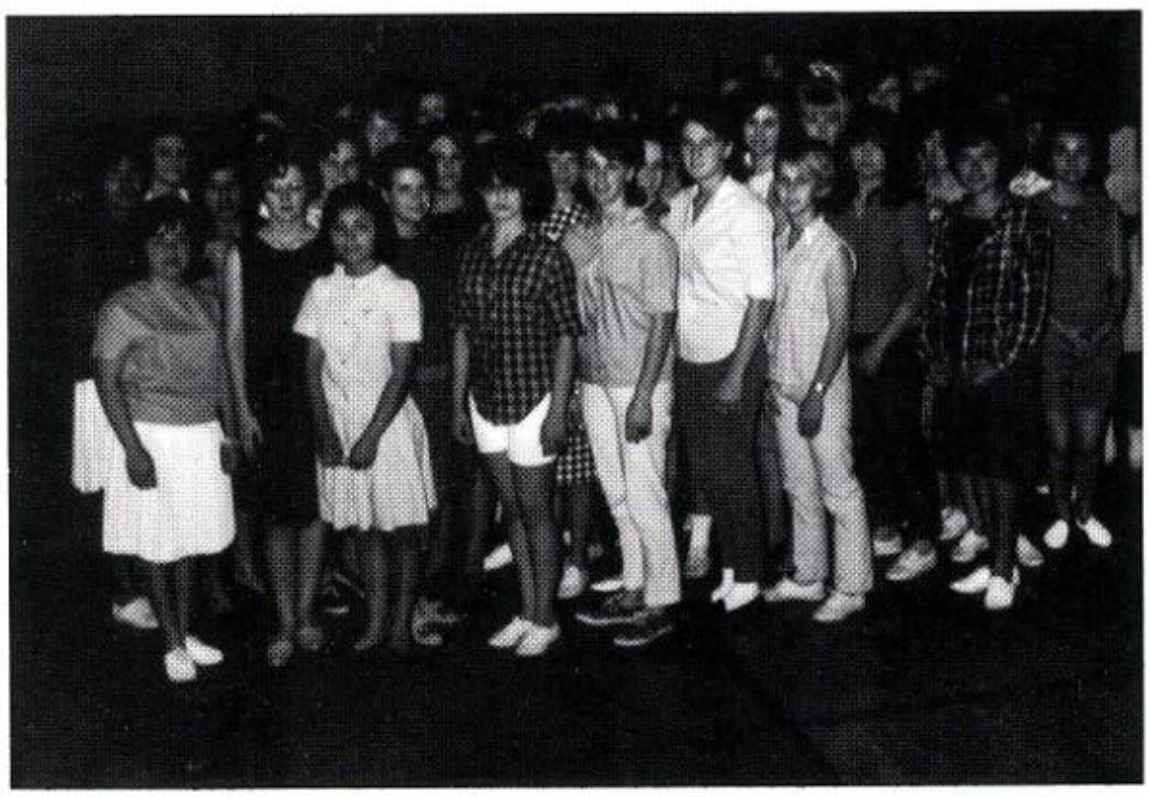
Rah! Rah! Rah!

The high school cheerleaders for '65-'66 included Joyce Price, senior and head-cheerleader; Cynthia Wilson, junior; Delicia Gonzales, sophomore; Lillian Shropshire, senior; and Vicky Showalter, freshman.

Pep Squad Supplies Pep

The Pep Squad did a tremendous job in yelling at the football games. They supported the football boys in all of our games this year. A big cheer for the NDHS Pep Squad.



Junior High

The junior high cheerleaders included Beverly Walkup; Peggy Peacock, head-cheerleader; Debby Attebury; Paula McNeely; and Judy Norris.

The junior high football team did a very good job this year. They were "backed" by the cheerleaders and the pep squad.

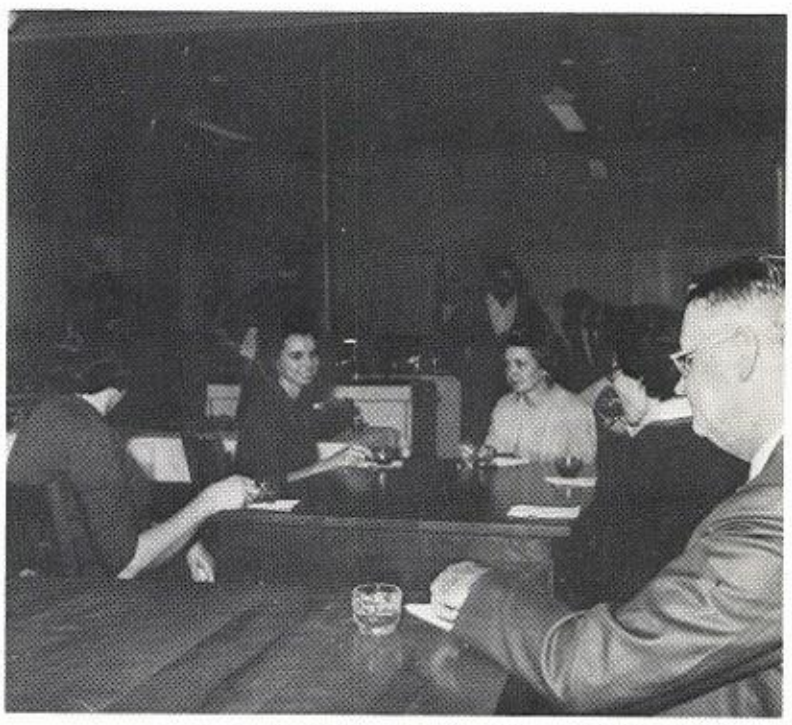
School Life



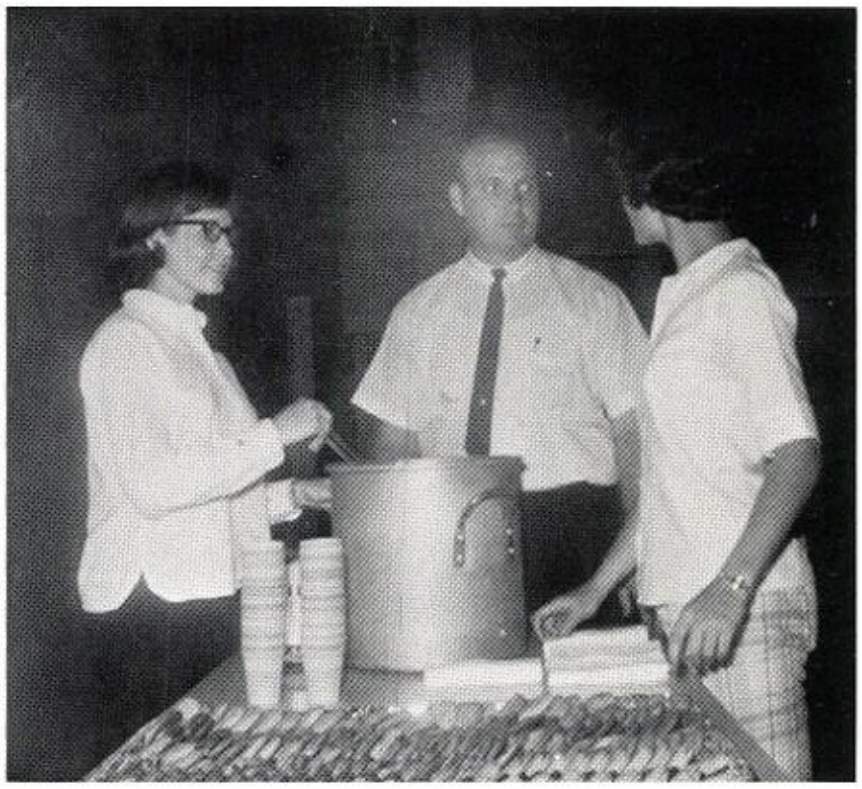
The National Honor Society honors the new inductees and parents with a reception after the induction ceremony

Activities

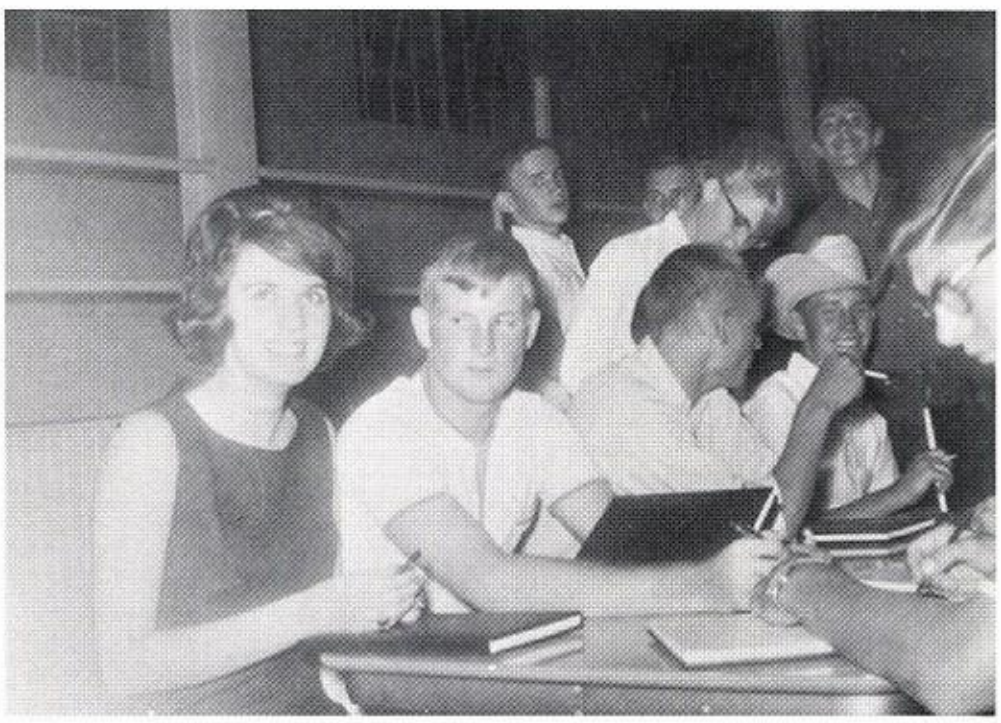
Our fondest memories of school days usually come from the various activities in which we and our schoolmates participate...clubs, picnics, homecoming, Interscholastic meets. Yes, 1965-1966 was truly a very good year.

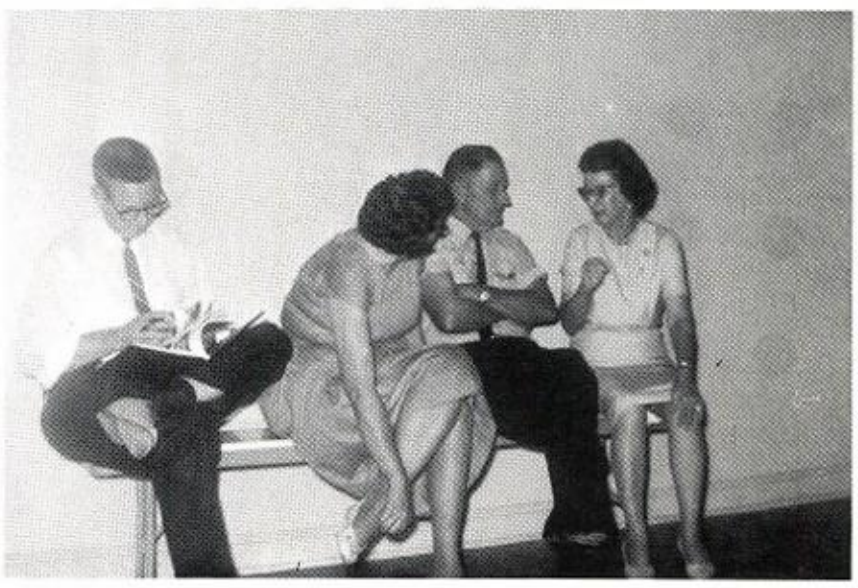
NHS Sponsors Kickoff Party

To get the newly-begun school year off to a proper start the National Honor Society and sponsors gave its annual kickoff party for the entire high school student body, the faculty, and the seniors of the previous year. The party was held in the gym and was highlighted by the signing of yearbooks and a cheerleading exibition given by the 1965-1966 cheerleaders. Refreshments were provided by the NHS and were enjoyed by all present.

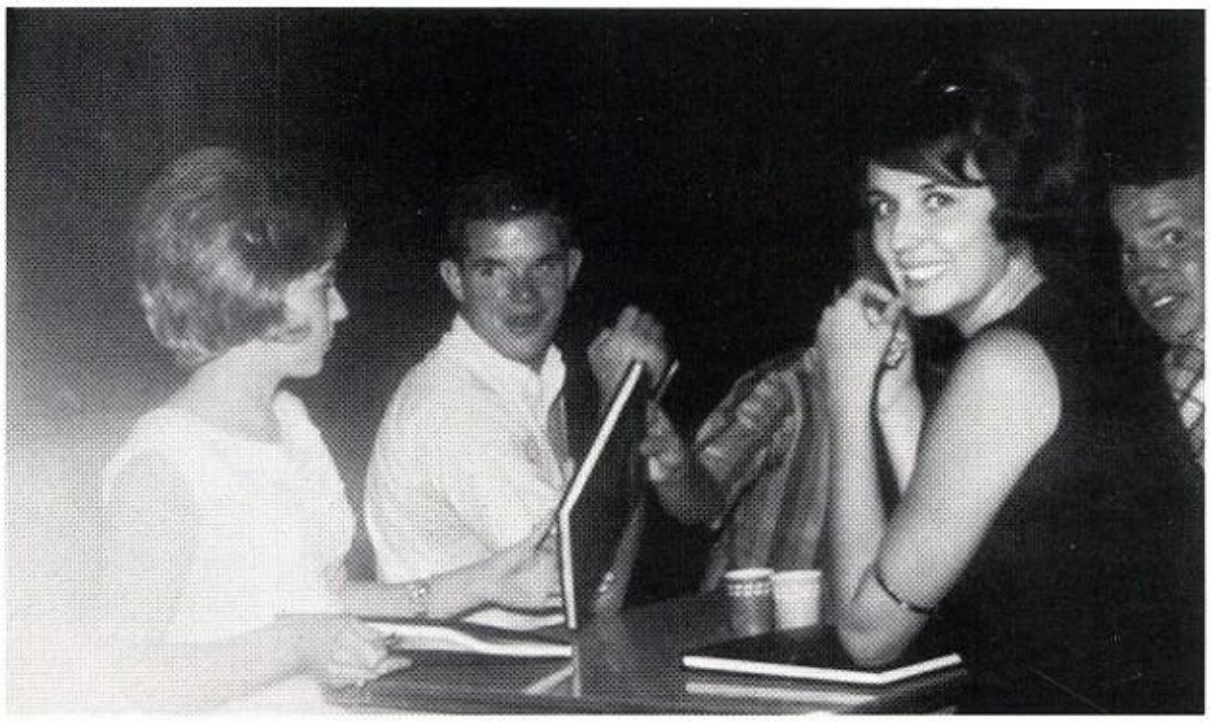


The steady depletion of snacks proved the students hardy and healthy





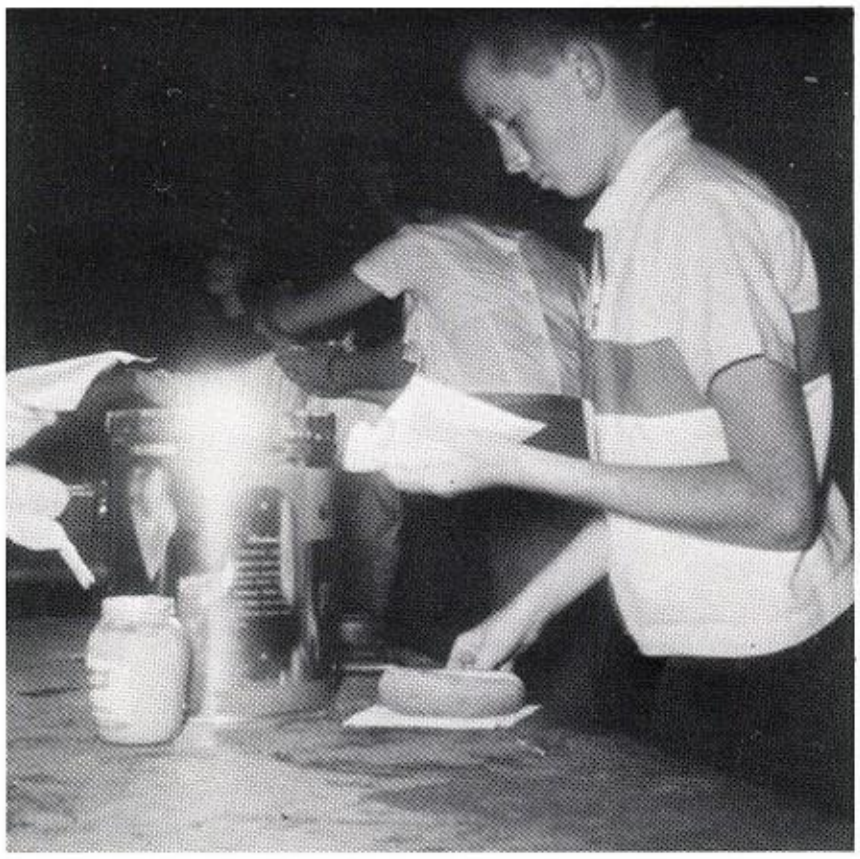
The teachers got into the action, too, and really let down their hair!



1965 seniors Randy Peeples, Sandy Fortenberry, and Phyllis Reagan were among several of their classmates who came back to NDHS to the kickoff party.

FFA-FHA Enjoys Picnic

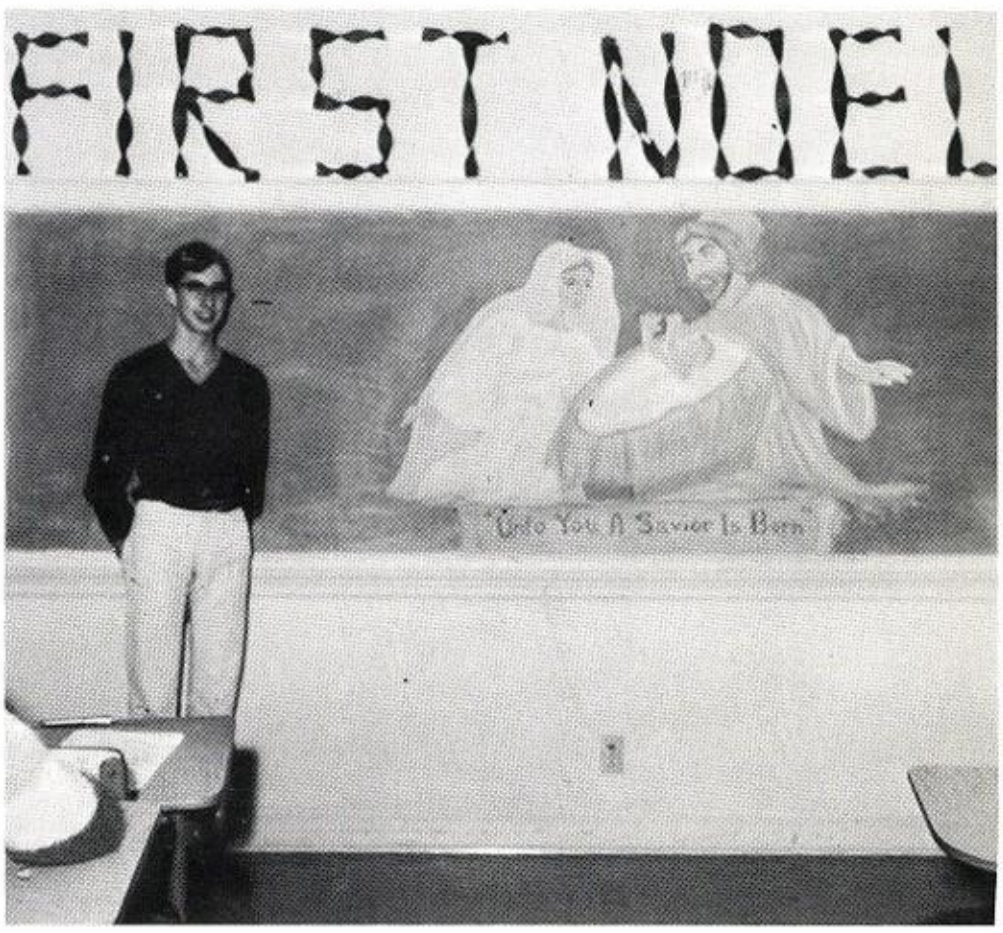
On a bright, moonlit Indian Summer night, shortly after the opening of the new school term, the members of the FFA chapter and the FHA girls journeyed to Mackenzie Park in Lubbock for an evening of lighthearted fun and games recalled from childhood days. A group of watermelon-splattered and hotdog-filled students returned to school extremely tired but happy. By the way, even the sponsors enjoyed this outing.



Christmas Comes to NDHS

Each year the decorating of the large Christmas tree in the Study Hall is entrusted to the seniors. As usual the tree was a beauty and put the finishing touch on the Holiday Season.

On the day school was dismissed for the Christmas Holidays, everyone gathered in the study hall for the annual all-high school Christmas party. Senior class president Robert Davis led everyone in the singing of carols; the Spanish classes also sang carols. Each Student received a coke and candy as his present from the faculty. The many presents from under the tree were then passed out by the seniors.



Mrs. Cromer's room which was decorated by the junior class won the interclass competition for classroom decoration. A colored chalk drawing, drawn by Norman Looney, a sophomore, depicting the nativity scene was one of the many features of this prize-winning room.

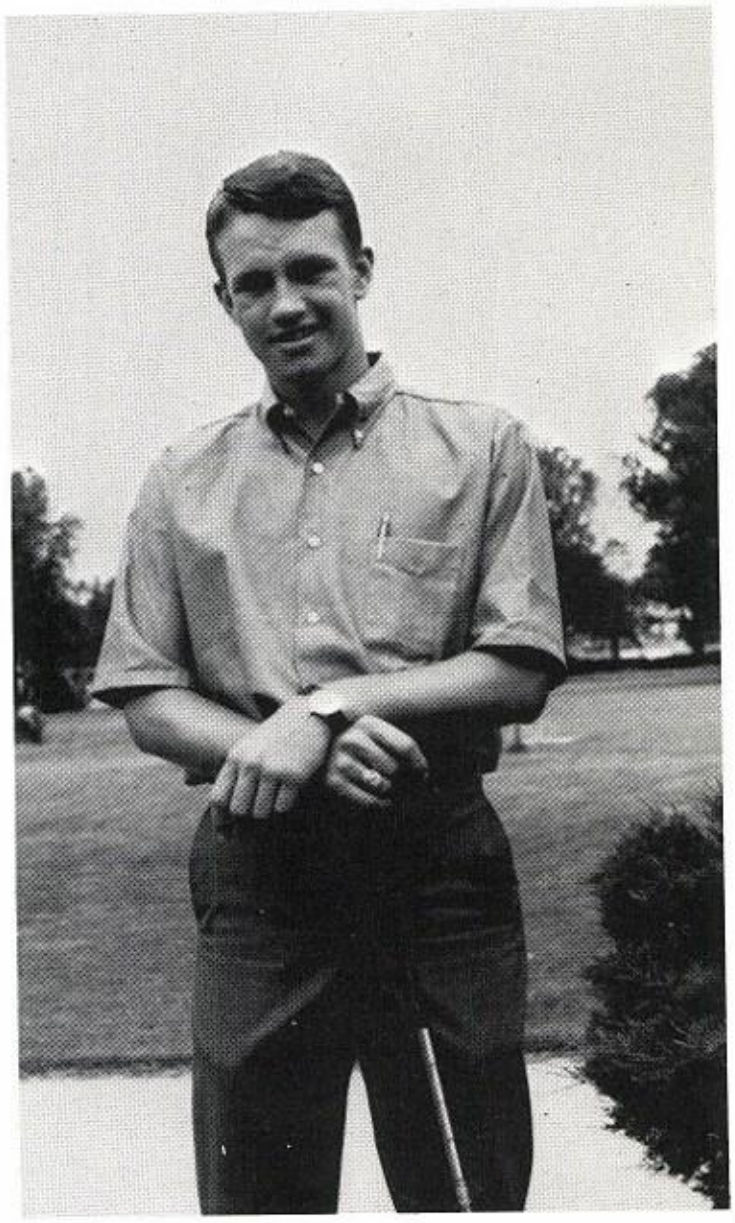
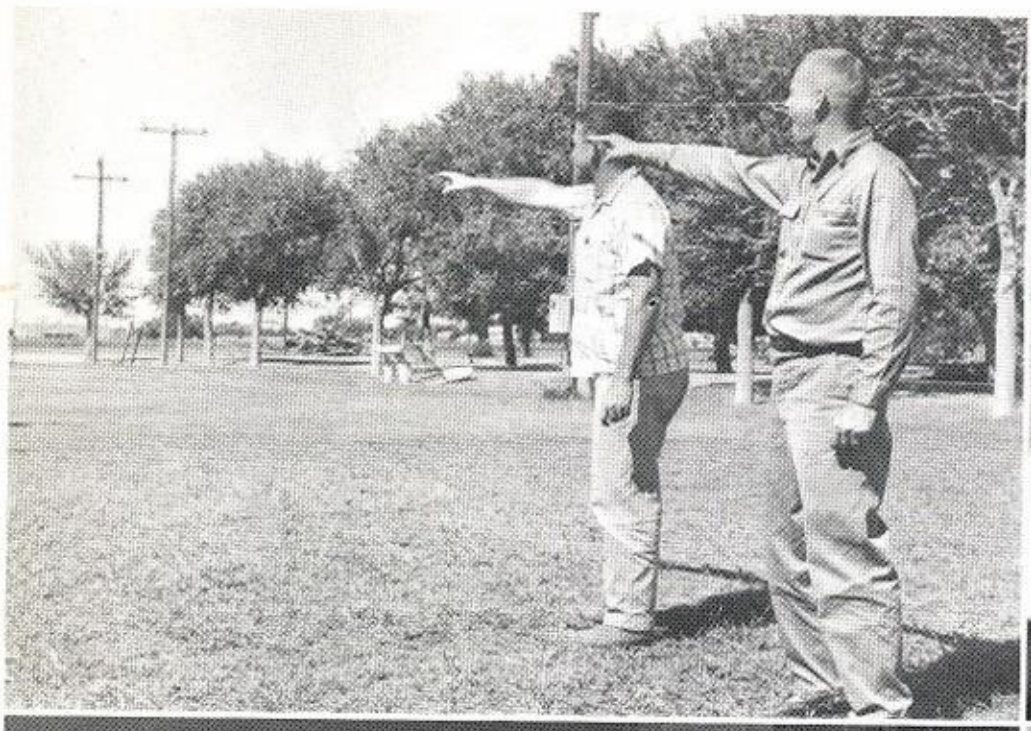
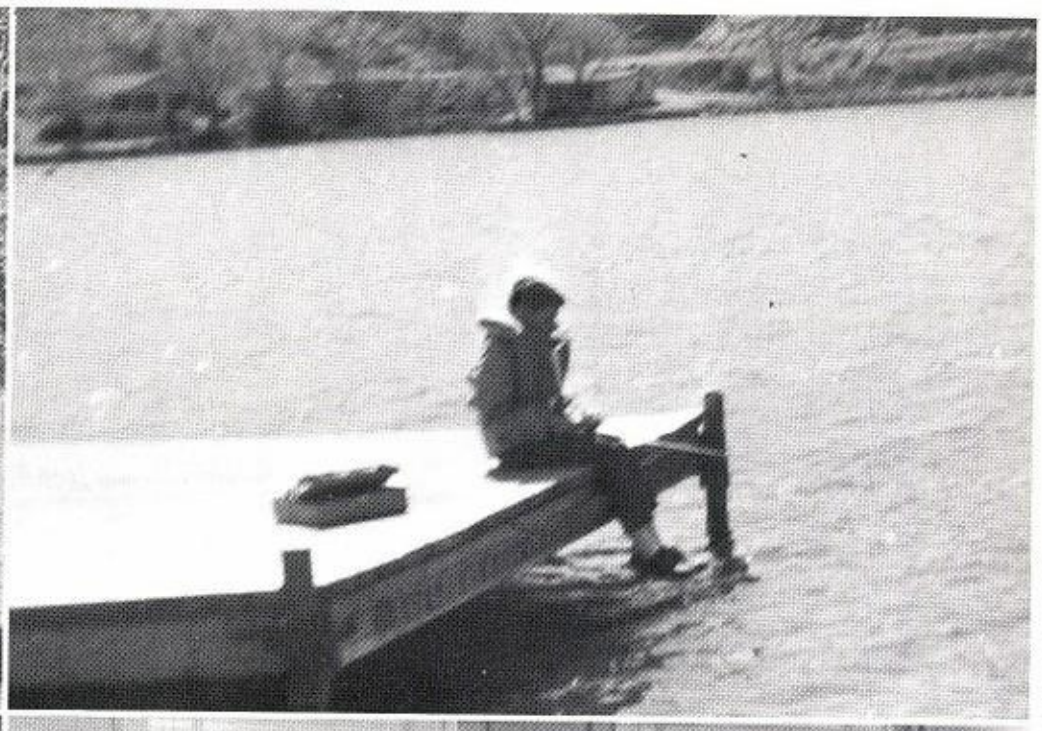
We hope these characters learned more than pushing a broom this year at NDHS!

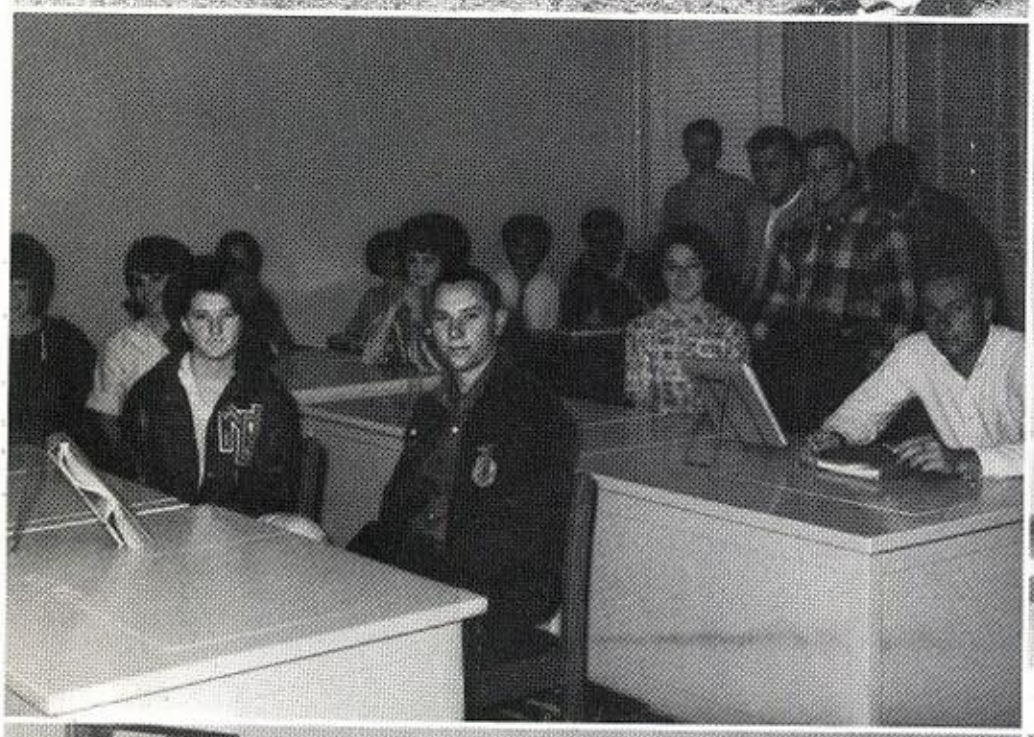


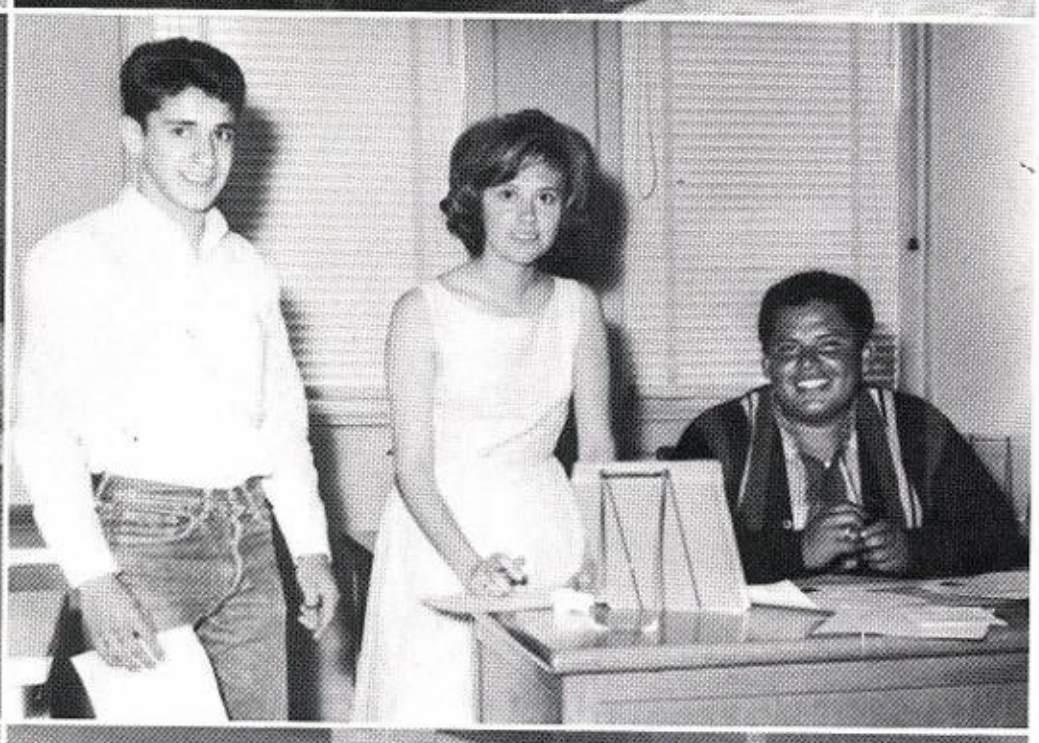
Here's our champion; he majored in spitwads, noise, disturbance, and mischief.

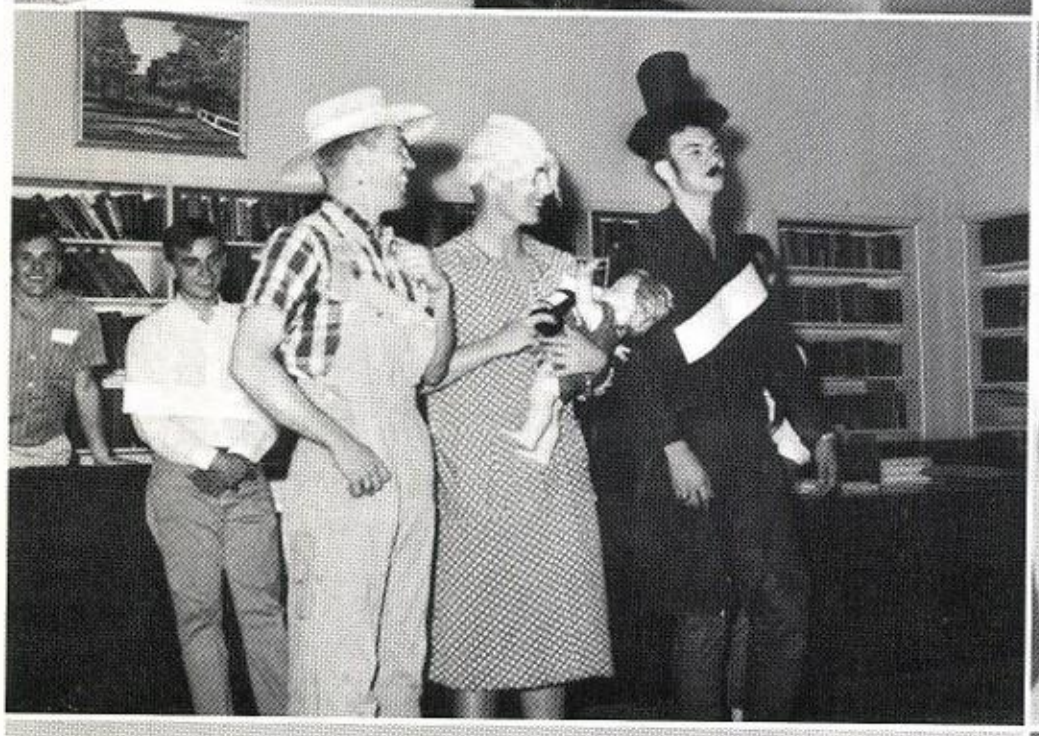
We wonder who's talking, Mr. Byrd must have taken the hint. He's giving the camera a hostile look.

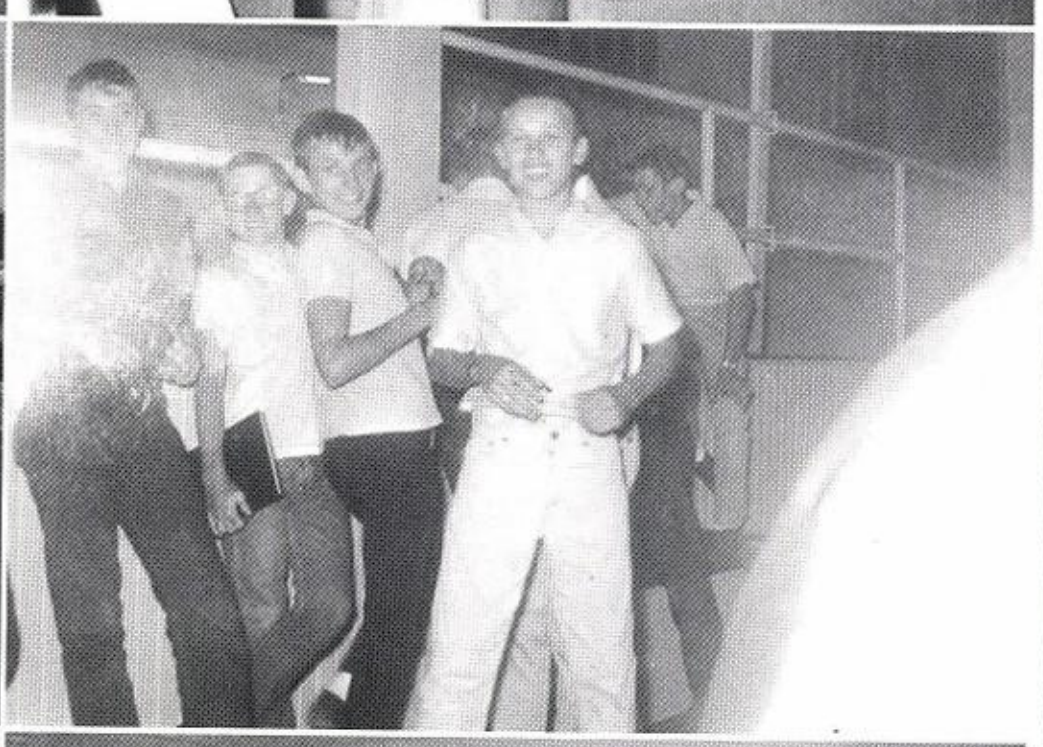


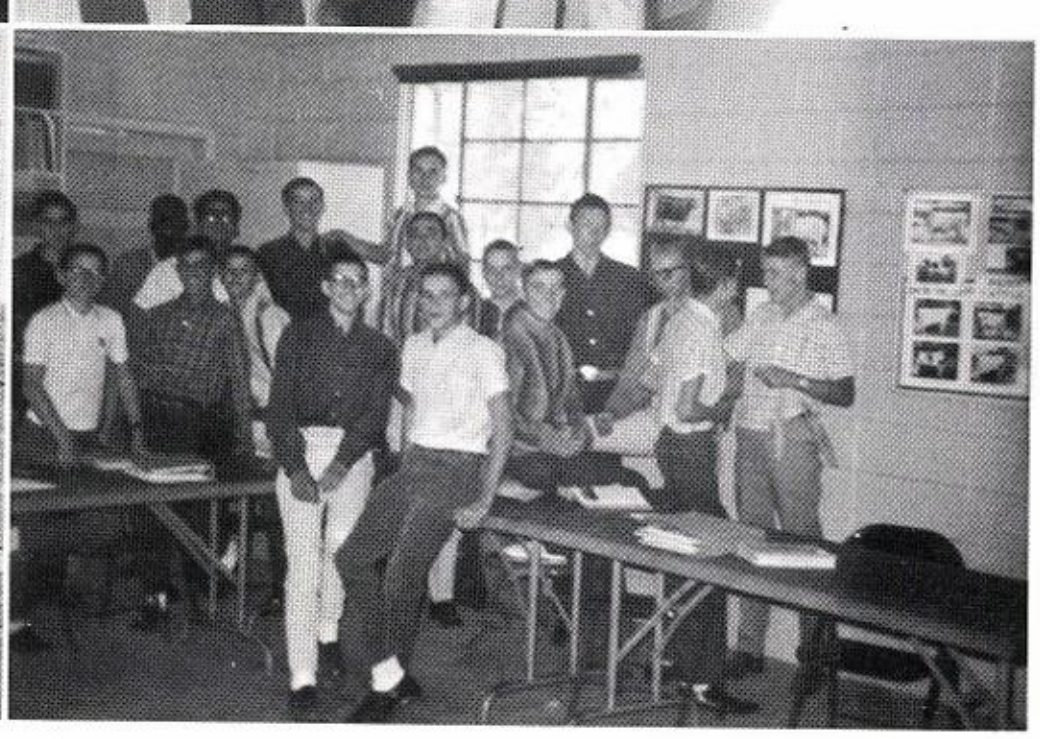












Junior-Senior Banquet

After much work and many activities to raise money, the Junior-Senior Banquet was held April 1, at the KoKo Palace in Lubbock. This presentation by the junior class marked the highlight of the social year. All the work and preparation was well worthwhile as the juniors, seniors, faculty, and their guests thoroughly enjoyed the evening. The fine food, and a timely message from guest speaker, Bill McAlister, president of McAlister Broadcasting Company in Lubbock, were highlights of the fete.

Football Highlights of Fall

Hard work, hustle, and teamwork typified the New Deal Lions this year. Making sure the eager Lions were directed along constructive veins, coaches Sam Mayo and Jack Bell were always kept busy. Polishing fundamentals and perfecting techniques, the hard workouts each afternoon were seen as positive results. Rolling up a 6-4 season, the Lions seemed promised for much more before those ever-present elements of fate: injuries, scouting reports, and hard luck slowed down the Lion steam-roller. The football players gained much more than was shown in the won-lost column. Sportsmanship, team effort, discipline, and friendship are laurels for which the Lions are also proud.

Mitchell is All-Stater

Senior Billy Mitchell finished out his high school football career with a blast by being named to the All-District, All-South Plains, South Plains Dream, and All-State teams. Many hours of hard practice and lots of hustle on Billy's part justify these honors. Besides doing his part to put NDHS on the map, Billy has set an indeed high goal for future Lions to match. The entire student body and faculty say good work and the very best of luck!!

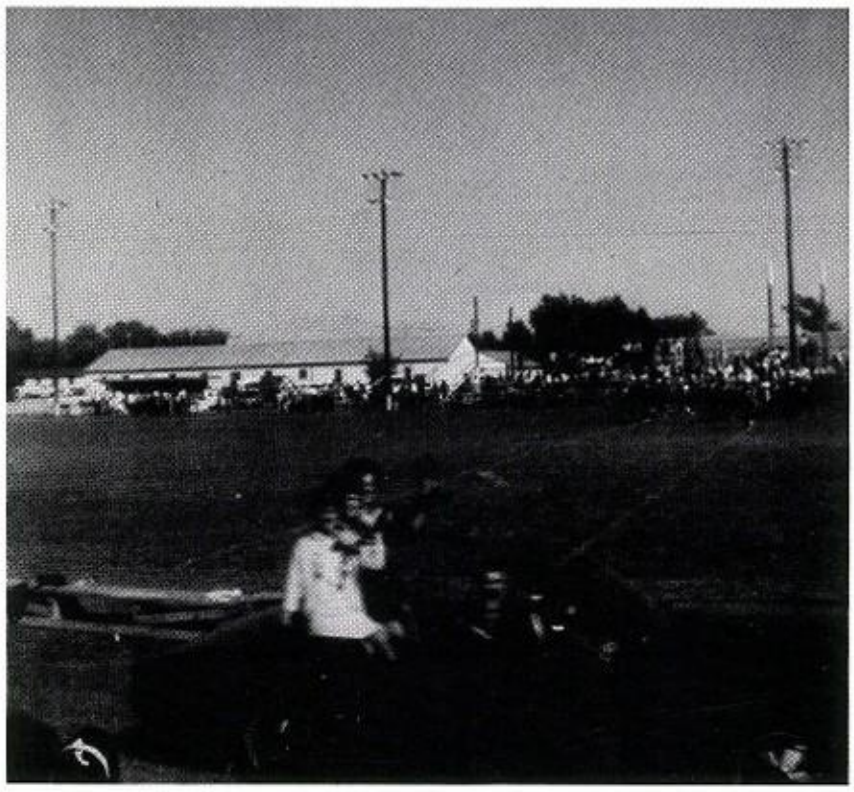
Homecoming

The students of New Deal High School add to the enthusiasm of Homecoming. It is an event looked forward to from the beginning of school. Tension arises as the Homecoming Queen is announced. The day is climaxed by a 8-6 victory over the Cooper Pirates.

Here are three happy young ladies awaiting the announcement of the '66 Homecoming Queen.

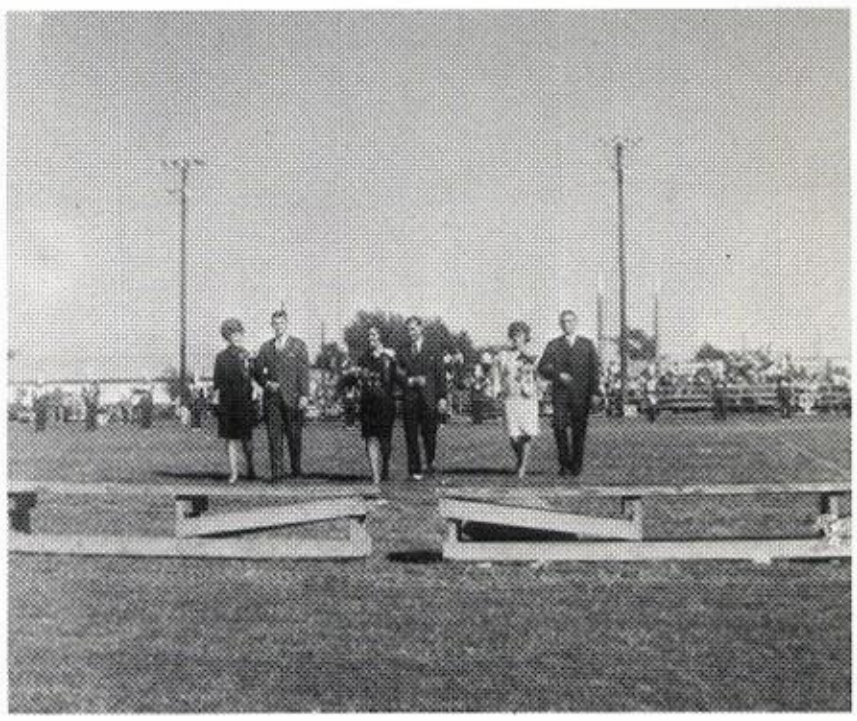
Joyce, Lillian, and Margaret and escorts enjoyed riding in a '66 Mustang furnished by Ford Motor Company.



Highlights

Joyce Price, escorted by Ronnie Weems, Margaret Wages escorted by Dale McDougal and Lillian Shropshire escorted by Coy Ballard, are enjoying the Homecoming Game.

Joyce Price is crowned 1966 Homecoming Queen by Lowery James.



The candidates and escorts walk across the field.

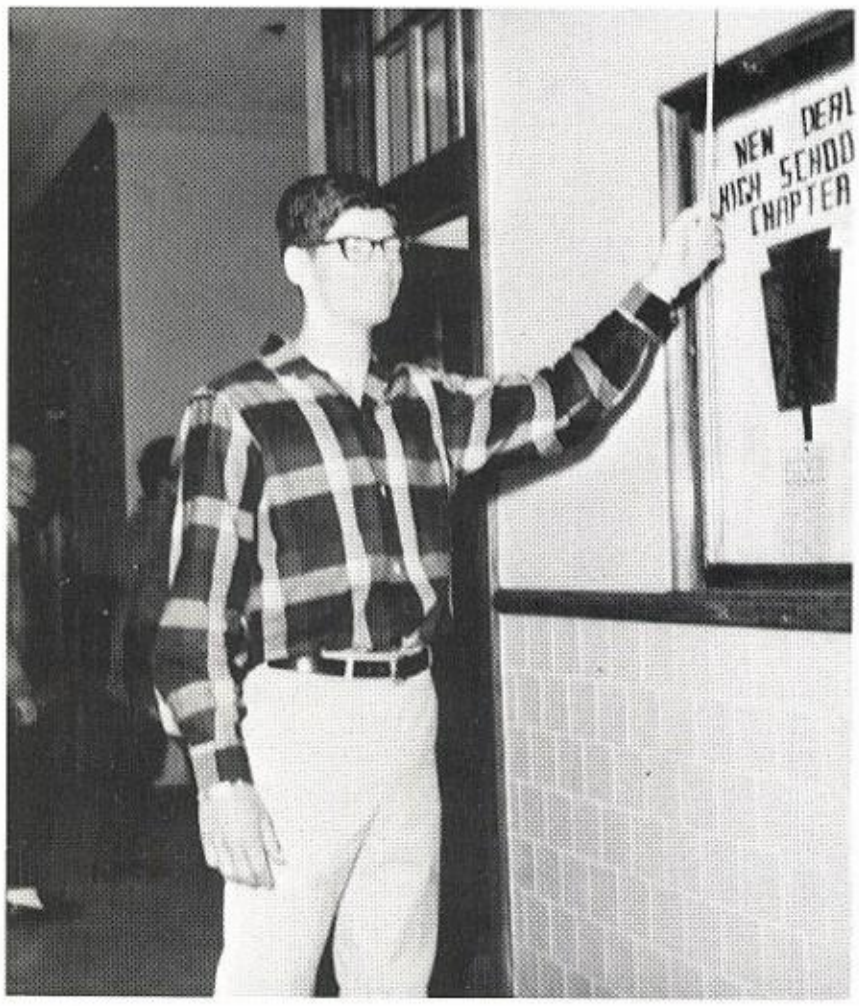
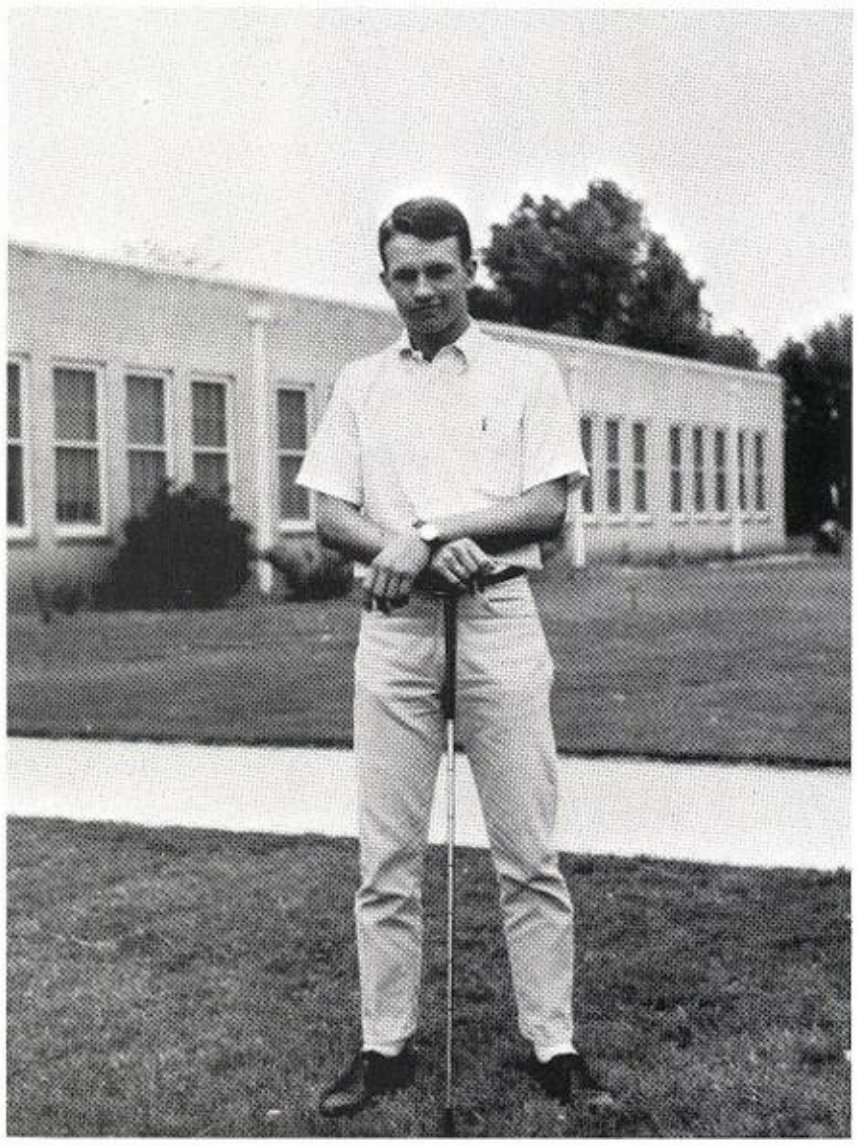
"ND's" Top



Always willing to lend a hand, Dwayne Agnew, junior, is our "Most Cooperative" -- bell ringer? He was chosen to be the individual who exhibited the best attitude and who responded best to the programs of the school.

The "Most Likely to Succeed" title went to sophomore Ronnie Agnew. Everyone believes he will certainly succeed -- but at what? Not for safe-cracking we hope!

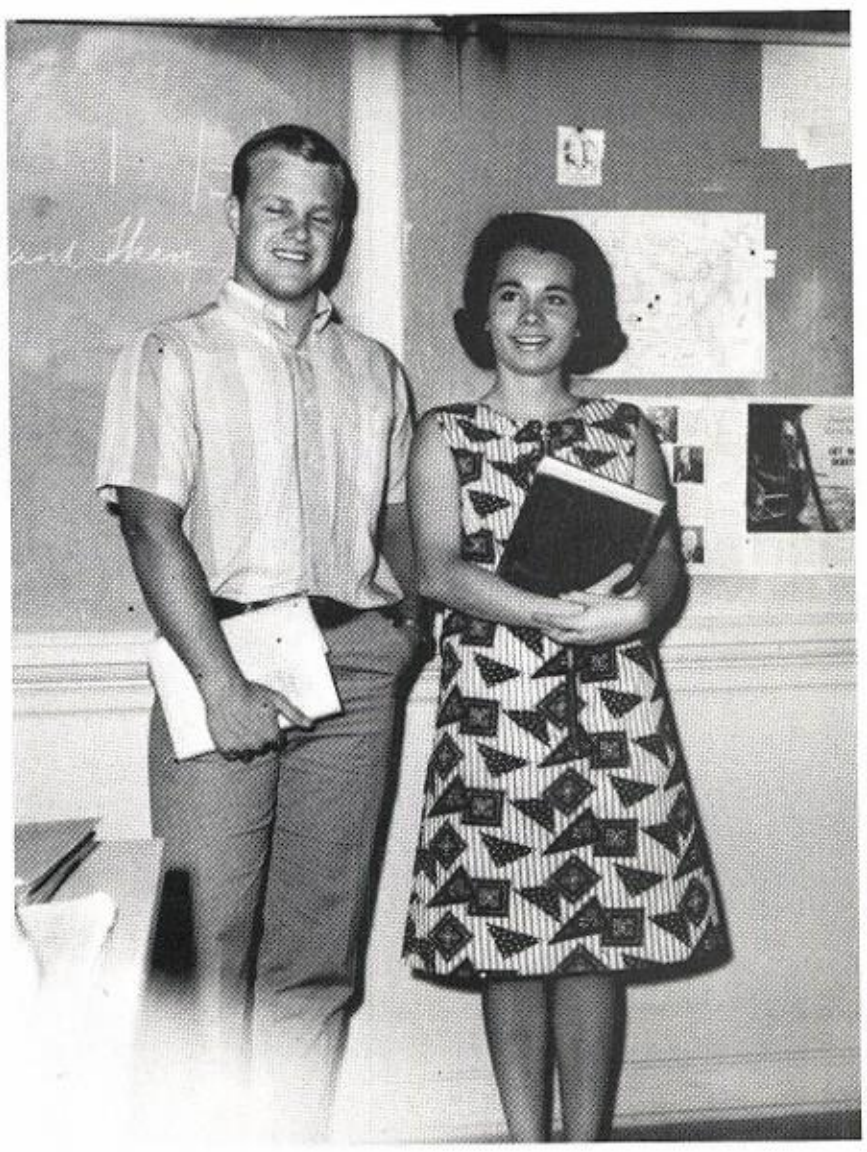


Talent is said to be natural endowments of special creative or artistic aptitude. Jim Speer, junior, was selected "Most Talented" for his knack of doing a little of everything.

Ten

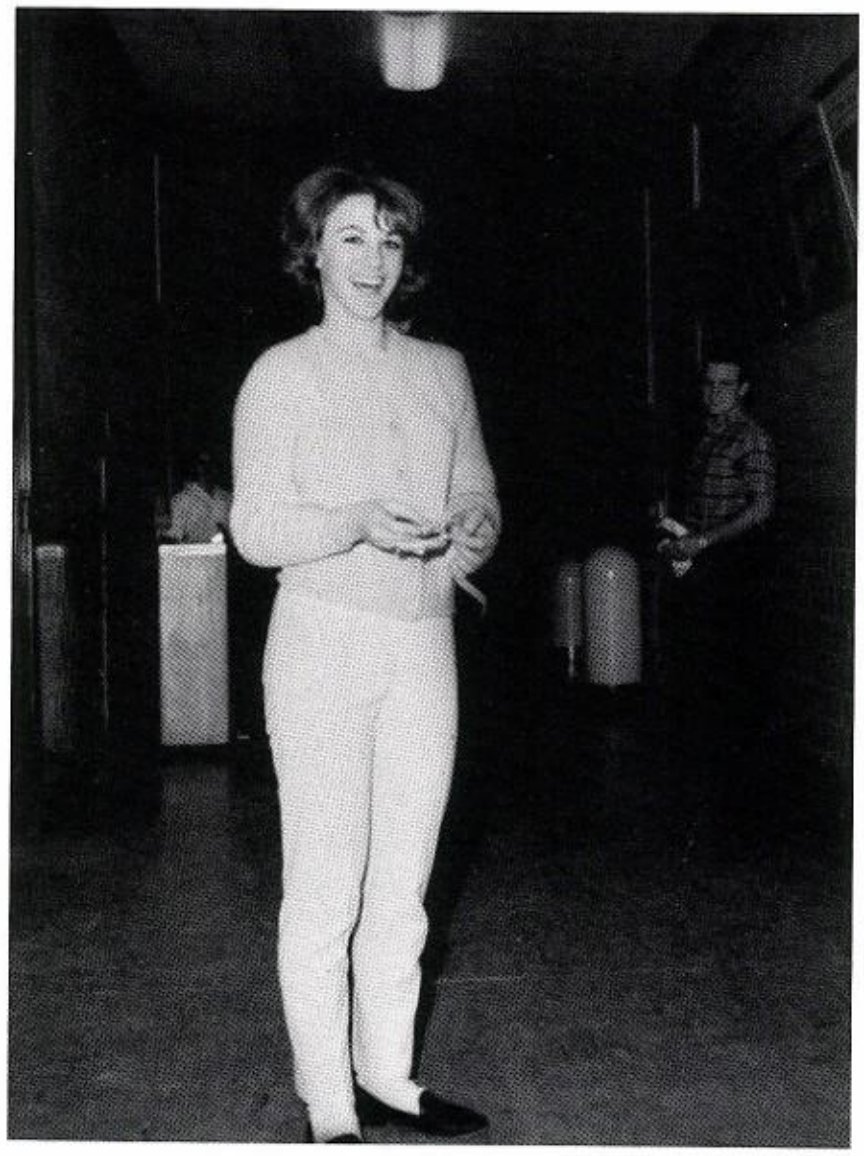
Gary would surely agree with the faculty's selection of Margret Wages, senior, as the "Most Courteous" student. Her smile and cheerful courtesy throughout the year were enjoyed by all.

Jo Ann Cavaness' willingness to help brings her the title of "Most Dependable". The office, the classroom, and anyplace at anytime finds Jo Ann willing to assist anyone who needs it.

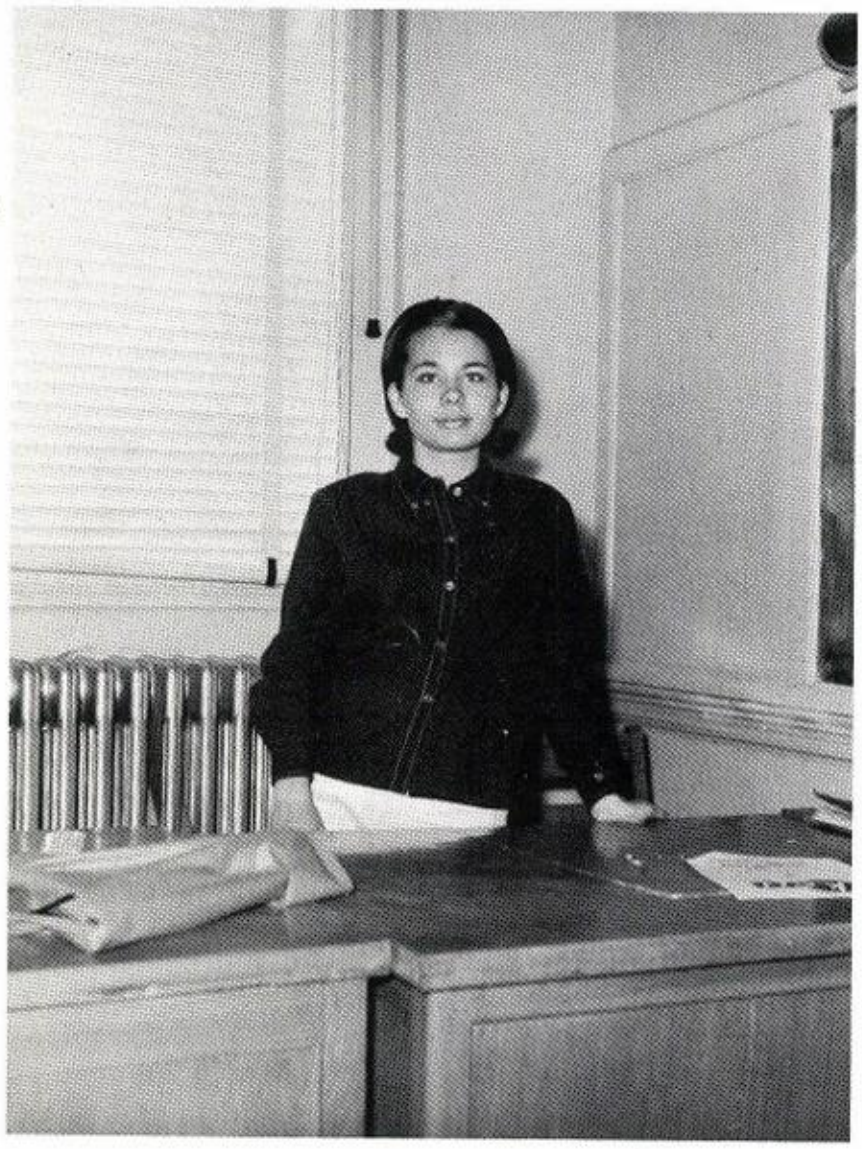


Judy Speer, sophomore, who is also the TOP TEN'S "Most Versatile", shares with senior Gary Winningham the "Best All-Around". Their skill in many areas and their unselfish and unreserved application have gained them many honors.

Cynthia Galbraith is pictured here doing the thing that won her the title of "Most Studious". An armful of books and that smile helped.



One can easily see why Joyce Price was elected "Friendliest". This is how she greeted each student and teacher every day.



Judy Speer did many things well. This won for her the title of "Most Versatile." Judy was named to the All-District One Act Play cast as well as making the All-Star cast at the Region. Basketball and good grades were also part of her activities.

Library Staff

Throughout the school year the library staff unselfishly offered their services to the entire student body by manning the library during each study hall period. They assisted everyone by finding the books, magazines, and newspapers which could be used in school work. Under the guidance of Mrs. Bea Cromer the library was reorganized under the Dewey Decimal System to make the library more useful for everyone. The librarians are Gary Hamilton, Joe Bohn, Delia Villegas, Linda Freeman, Judy Speer, Terry Martin, Robert Norris, Norman Looney, Gabe Hollander, Charles Hamilton, Ronnie Randolph, and Dale Burress. The students say a hearty "thank you" to these hard workers and Mrs. Cromer.
